BUG REPORT 7

TEST CASE TESTED Insert an invalid e-mail address

TESTER Mucedu Georgeta-Iuliana

TITLE The user can't create an account with an invalid address

PREREQUISITE The user should be connected to the internet.

ENVIRONMENT Chrome browser

STEPS TO REPRODUCE Step 1: Open <https://altex.ro/cont/intra/>

Step 2: Complete all the fields required and also the "E-mail" with an invalid address

Step 3: Fill in correctly the other fields. Step

4. Click the "Register" button

ACTUAL RESULT The user can Register even if he puts an invalid e-mail address

EXPECTED RESULT The user cannot create an account

PRIORITY High

SEVERITY Low

The screenshot shows the Altex.ro website's registration page. The browser address bar displays 'altex.ro/cont/intra/'. The page has a red navigation bar with links: 'Produse', 'Promotii', 'Branduri', 'Finantare', 'Suport clienti', 'Magazine', and 'Fundatia Altex'. The main content area is divided into two columns. The left column, titled 'Vreau un cont nou', contains a registration form with fields for 'Prenume', 'Nume', 'E-mail', 'Numar de telefon', 'Parola', and 'Confirma parola'. The 'E-mail' field contains 'georgetaiuliana99@yahoo.com'. Below the form, there is a checkbox for 'Sunt de acord cu Termenii si conditiile de utilizare a site-ului altex.ro' which is checked, and another checkbox for 'Aboneaza-te la newsletter-ul Altex pentru a primi cele mai bune oferte!' which is unchecked. A yellow 'Inregistrare' button is at the bottom. The right column, titled 'Am deja cont', contains fields for 'E-mail' and 'Parola', a yellow 'Logheaza-te in cont' button, and a yellow 'Ai uitat parola?' button. A section titled 'De ce sa iti creezi cont ?' lists four benefits: reducing finalization time, saving invoices, verifying order status, and saving products in a wishlist.
